

Instructions for giving stocks and mutual funds

Use the following Letter of Intent (LOI) to inform National Christian Foundation (NCF) of your decision to make a contribution of publicly traded securities, such as stocks, mutual funds, and cash through your brokerage account. All contributions to your NCF Giving Fund (donor-advised fund) are irrevocable and are, in most cases, eligible for a tax deduction.* Please contact your financial institution to request their required procedures and forms and to provide them with the delivery instructions found below.

Please note that, if you are sending physical stock certificates or stock held at a transfer agent, you must complete our stock certificate or transfer agent gifting form available on our website.

*Individual circumstances vary. Please consult your tax advisor regarding your specific situations. Gifts from other tax-exempt organizations are not deductible.

If your mutual funds are held at a brokerage firm other than the ones listed, please check with your broker to see if the funds are transferable. If they are not transferable, please contact NCF.

STEP 2: NOTIFY NCF OF YOUR TRANSFER

Please complete the LOI on the second page of this document and send to NCF via email, mail, or fax. It can be printed and completed by hand, or you can type directly into the fields and save to your computer before sending.

STEP 3: CONFIRM YOUR TRANSFER

Transfers must be initiated by your financial advisor or broker. Please confirm with your broker or advisor that your contribution has been transferred from your account to NCF's account. Once received, it usually takes 4-7 business days for your transfer to be liquidated, settled, and completely posted to your NCF Giving Fund.
